MGOS Schema Report

Source: current MGOS.gdb. Generated 2026-10-08.

Schema inventory

Category	Count
Feature datasets	6
Feature classes	9
Standalone tables	10
Relationship classes	6
Coded value domains	5
Raster datasets	1 (Spatial_Analysis)

Coordinate system

All internal spatial datasets use EPSG:32637. Spatial_Analysis is stored at the geodatabase root because File Geodatabase does not support raster datasets inside a Feature Dataset.
